

First 100 Days Evidence Handover | Scope and limitations

Commercial status: Written quotation required for any service below the adopted nominal research-project minimum. Indicative higher fees are not binding until individually approved in a written scope.

Who it helps

A new owner or professional adviser seeking an evidence baseline after closing.

Included illustrative bounded work

One acquired business, up to four agreed continuity or record questions, lawful record tracing, an evidence-gap log and a handoff checklist for authorised legal, accounting, lender, IT and operating advisers. Suggested target: five business days after conditions are met.

Not included

Bookkeeping, fractional CFO work, bank access, tax advice, licensed inspection, operational management, lender approval or recovery guarantees.

Pricing

Quote required. The historical proposed low fee has not been approved as an exception to the adopted ordinary research-project minimum.

No payment or engagement is created by downloading this document or submitting an enquiry. Fees, delivery periods, tax, third-party costs and source access must be confirmed in writing after eligibility and human review. No legal, accounting, investment or regulated professional advice is implied.

Example and planning material only; not a client report, source-verified conclusion or guaranteed investigation outcome.
